Revised 2023

A key component of health is access to healthy food. Going to farmers' markets is an excellent way to purchase fresh, nutritious, and affordable food for ourselves and our families. When we shop at farmers' markets, we also directly support local producers, strengthen the local economy, and build vibrant communities.

For more information about farmers' markets in your area please contact Healthy Acadia at (207) 255 3741 or visit healthyacadia.org
